

# LT855A - TEXAS TWISTER™

We have improved the LT855-1, and LT855-4 as follows:

Original

LT855-1 – 20" Primary Drive Bar

LT855-4 - 7" J-Hook

New and Improved –  
Locking Slots

Machined, forged .650" hammer tip

In addition, we have added the LT855-12 and LT855-13 along with respective nuts and washers for each tool

855-12, 1/2-20 to 5/8-8 connector

LT855-13, 1/2-20 to 3/4-16 connector

We have also improved the case and added a tray to keep all the tools in an organized manner.
